CLIENT SERVICE AREAS

All students have the chance to work with a diverse range of clients. We offer a high-quality salon and spa environment where students can provide hair, skin, nail, and body services under the supervision of licensed professionals.

STUDENT CLASSROOMS

Classrooms are designed to create an effective environment for various learning styles and activities. They feature advanced audio-visual technology, Microsoft Office 365 web version access, and online curriculum portals like learnaveda.net, Aveda, and Pivot Point.

EQUIPMENT

There is a variety of equipment available for student use, including manicuring stations, hydraulic chairs, massage and esthetic tables, and fully equipped skin care stations with dermoscopes and steamers at each station.

AVEDA EXPERIENCE CENTER

Both institutes feature a retail center offering Aveda products, including hair care, skincare, Pure-Fume™ (fragrance), body care, makeup, and lifestyle items. Gaining product knowledge and achieving retail success can enhance your value in the salon and spa industry. The store allows you to practice client services and business skills with guests.
